This helps me. The contract was not established through our office. Please contact Mary Ann Morrison (573-526-3433) at the Department of Social Services for further information.

Julie,

I'm sorry - I sent you on a wild goose chase (not on purpose). We have an updated ATA amendment. I need to find the contract number for the ARCHS contract - I don't think the contract number changed when it went from CTF to ARCHS 2 years ago, so I will try to locate the contract number on the original contract. In the interim, I am forwarding a copy of our contract with ARCHS - hopefully the contract number on this is the contract number you need. If it is a contract number ARCHS issued I may need to look further for the original contract number - originally managed by Laure Maligner.
